

## SAFETY DATA SHEET

### 1. Identification

**Product Name** Mineral Oil

**Cat No. :** BP2629-1

**Synonyms**

---

## Skin Contact

---

## 9. Physical and chemical properties

<b>Physical State</b>	Liquid
<b>Appearance</b>	White
<b>Odor</b>	Odorless
<b>Odor Threshold</b>	No information available
<b>pH</b>	No information available
<b>Melting Point/Range</b>	No data available
<b>Boiling Point/Range</b>	260 - 427 °C / 500 - 800.1 °F

---

**Product Information**  
**Component Information**  
Component  
White mineral oil

**LD50 Oral**  
>5000 mg/kg (Rat)

**LD50 Dermal**  
>3000 mg/kg (Rabbit)

**LC50 Inhalation**  
Not listed

---

**IATA**  
**IMDG/IMO**

Not regulated  
Not regulated

## 15. Regulatory information

### International Inventories
